

## **“In-Kind –Donation” Guidelines**

Rebuilding Together FMA is a non-profit organization that partners with the community to rehabilitate the houses of low-income homeowners. Together we transform the lives of veterans, seniors, and those living with disabilities by improving the safety and health of their homes and revitalizing our communities.

*The most current US census information reports the Fargo –Moorhead area population to consist of 9.8 percent senior citizens, 5.7 percent military veterans, and 6.4 percent disabled individuals, while 13 percent of the population falls below the poverty line. Rebuilding Together provides home repair and improvements that keep the Fargo-Moorhead Area’s most vulnerable populations in homes they currently own. These repairs and improvements prevent homelessness, reduce accidents, reduce the cost of long term care, and revitalize our community.*

Each year Rebuilding together receives over 50 applications from low income homeowner’s in the area that are in need of safe and healthy repairs to their home. These applications are screened for qualification and individual projects determined. Rebuilding Together staff then matches funds, in-kind donations, house captains, and volunteers to each project.

We estimate for every **one dollar spent we add three dollars in value to a home.**

### **In Kind –Donations include:**

- Products, supplies and equipment
- Use of corporate services/facilities
- Professional services and employee expertise
- Volunteer labor

*In Kind –Donations are Tax deductible at donor determined value.* RTFMA has been recognized as exempt from federal income taxation under 501(c)3 of the Internal Revenue Code and is eligible to receive tax-deductible contributions.
