

Rebuilding Together.
Fargo-Moorhead Area

2016 Annual Report

Our Mission:

Together we transform the lives of low-income home owners by improving the safety and health of their homes and revitalizing our community

Our Vision

A safe and healthy home for every person

Our Goal is to help low-income homeowners who are Veterans, elderly and individuals living with a disability, improve the warmth, safety and condition of their home.

Rebuilding Together Fargo-Moorhead Area Annual Report 2016

Financial Summary - 2016

Income

Donations & Contributions	\$15,912
Grants & Foundations	130,398
Special Events	41,052
Investments	18
In-Kind Revenue	61,852

Total Income \$269,242

Expense

Programs Expenses	\$ 252,263
Administrative	21,052
Total Expense	\$273,315

Our Programs

Handyman Program:

Nineteen projects consisted of: yard work, door installation, painting, shed completion, replacing and repairing plumbing, replacing flooring, and repairing electrical wiring.

Roof Program:

We completed **seven** total roof replacement projects. This program plays an important role in our communities to help maintain the integrity of these aging homes for years to come.

Safe at Home Program:

Four projects included: installing grab bars and hand rails, and one of these projects included installing an accessibility ramp. For the elderly and people living with a disability, this will allow them to remain in their homes.

Green Housing Program:

Five projects included replacing siding and windows, and replacing one water heater.

Summary of 2016 Projects

We completed 35 projects for 26 families. Of the homeowners we helped, 54 % were over 65 years of age, 24% of the homeowners live with a disability, and 16 % of homeowners are Veterans or widows of Veterans. Most of the homeowners are living on Social Security as their only source of income making it difficult to afford the repairs needed to provide a safe and healthy home.

We are grateful for our 180 volunteers who gave over 1800 hours of their time to ensure our neighbors have a safe and healthy home.
